Dear Fairfield County Traveler,

We Are Eveready Transportation Executive Car Service. We are a premium Car Service and we offer quality service at a competitive price.

Customer service is our number one priority. Our drivers are always prompt and courteous. They will arrive at your home or office neatly attired, driving a late model sedan or SUV. Our office staff is polite and friendly. They are always ready to help with reservations, confirmations or any account inquiries.

Our prices are the most competitive in the area. We accept Visa, MasterCard, American Express, Diners Club, Discover, and Corporate Charge Accounts (Corporate Charge Accounts will be established on contracted terms only). Many of our clients chose credit card payment method, because it allows them to accrue miles for special perks. As mentioned, we also offer our corporate customers the benefit of using corporate charge accounts, on a contracted basis.

We accept reservations by Telephone, Fax, or Internet. We can respond to your needs with as little as 3 hours notice, although a day or more is preferred. Our office is located in Stamford and you can always reach us here.

So the next time you need a ride to or from the airport, New York City or anywhere give us a call. Why pay more? We are sure you'll like our prices and we know you'll love our service.
